**Additional Info:**

We are planning a Friday morning dive at Point Lobos marine reserve park (requires advanced reservation on line) and a Saturday morning dive at Breakwater next to Coast guard pier.

Diving Monterey in the winter months usually provides good visibility and mild weather. Hotels in the area are usually discounted.

Please check out the [sierradive.com](http://sierradive.com) website for further information and let me know if you can go. If you can dive with us at Point Lobos you will want to check it out at [parks.ca.gov](http://parks.ca.gov) and you can navigate your way to Point lobos where you will find lots of great information about the park. Cost is \$20.00 plus an \$10.00 parking fee. To reserve a spot you can call 831-624-4909 or for diving information call 831-624-8413. They only allow a limited number of divers per day so reserve early.

Breakwater requires no reservation....just show up and be ready to have fun.
